

# Live Sub Count

## Privacy Policy

### **WE DO NOT STORE ANY DATA OR MESSAGES.**

We physically can't. We have nowhere to store it. We don't even have a server database to store it. So even if Justin Bieber asked nicely to see your data, we wouldn't have anything to show him.

That's why, with Live-Sub-Count, **what happens on your computer stays on your computer.**

Live-Sub-Count uses [YouTube API Services](#). It is compliant with [YouTube API Privacy Policies](#).

By using our services, you also hereby agree to be bound by YouTube Terms of services. They can be accessed at: <https://www.youtube.com/t/terms>

We use YouTube API to get **public** information about channels and channel videos (including, but not limited to, number of views / likes / subscribers / comments, title, description, thumbnails, etc).
